

RGP Marketplace – User Guide

The Marketplace allows users to publish and browse listings related to the purchase and sale of guarantees of origin.

The listings are for informational purposes only and are intended to facilitate contact between parties to potential transactions conducted bilaterally outside TGE. **The Marketplace is not a transaction execution system. Transactions are concluded outside the Marketplace through arrangements between the parties within the RGP system.**

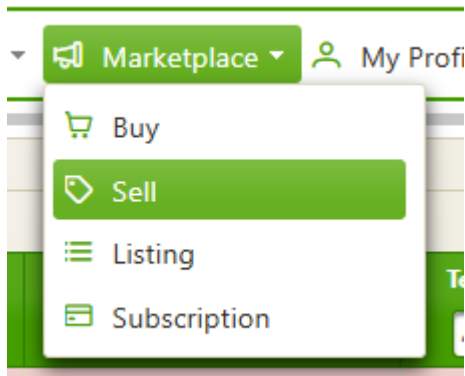

1. Accessing the Marketplace

- Go to the “Listings” module in the RGP.

- To browse listings, you must have an active subscription.
- You can publish listings and receive related offers without a subscription,

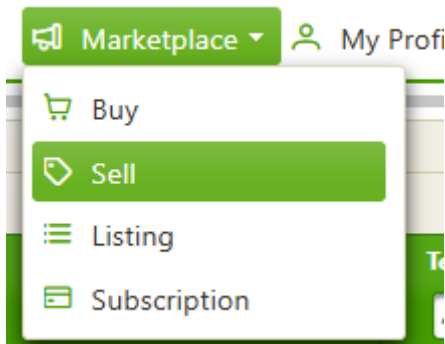

2. Publishing a Sale Listing

- Click 
- Select guarantees of origin
- Set:
 - volume (MWh),
 - price (PLN/MWh).
- Click  and review summary.

- Click **✓ Publish** and accept by clicking **✓ Yes**

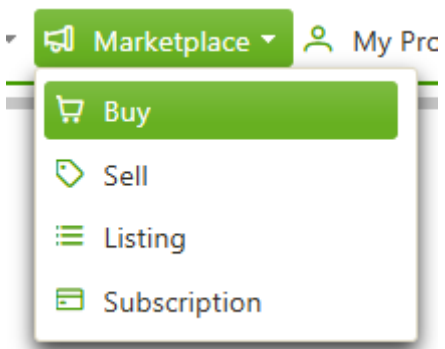

3. Managing Sales

Use the options:

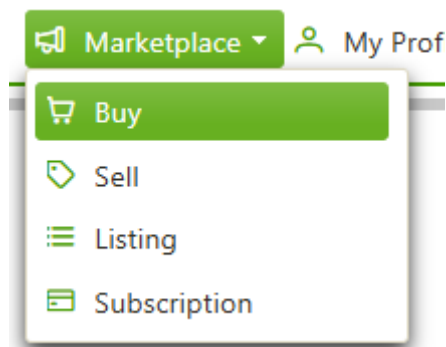

- **≡ Offers** – view offers and contact details
- **Delete offer** – close the listing

4. Publishing a Purchase Listing

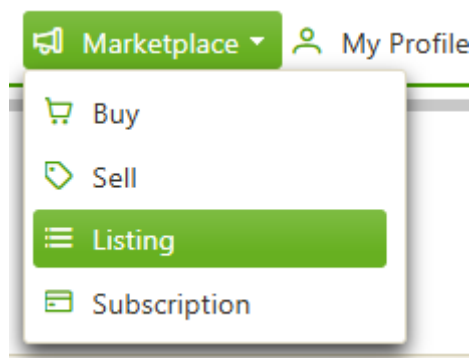

- Go to **➤ Add Sell Offer**
- Select the type of guarantee.
- Set the maximum price (limit).
- Optionally specify additional options.
- Click **✓ Publish** and confirm publication.
